DESCRIPTION

Cut-resistant glove EURO CUT N300 CUT C offering good protection against cuts thanks to its seamless support in HDPE/elastane and nitrile foam coating. Its life is extended because of its excellent resistance to abrasion (more than 10.000 cycles), and thanks to the nitrile crotch between thumb and index. Combination of 13 gauge and nitrile foam guarantees optimum comfort, high dexterity and enhanced protection. Touchscreen.

SECTORS

Heavy industry

Light industry
