

## SUB-ZERO THERMAL SOCKS 94

By far our warmest socks to date, these socks are designed to allow for maximum flexibility and durability whilst maintaining optimal warmth.

### Warm

Weighing 26% heavier than our XS84, and, at twice the thickness - the high wool content and luxury terry knit will enhance optimal warmth.

### Flexible

Designed with a unique, three point elastic across the ankle - you can be sure the pair will stay in place, bringing with it maximum flexibility.

### Durable

The extra padding on the sole and heel will ensure that ultimate comfort is bought to the wearer - this pair won't wear thin anytime soon.

Sizes: **4/7 (37/41) - 7/11 (41/46)** | Order Code: **XS94** | Qty: **Pack (1) Box (100)**

An extra padded heel featuring a three way stretch elastic providing ultimate comfort • Hi-Stretch fit with the elasticated band - Snug fit that prevents movement • Woollen Mix fabric - A high wool density, provides more warmth • Heavyweight yarn - increases durability and warmth • Terry Looped knit - unique knit increases warmth & comfort

### Typical Application

The XS94 luxury insulated sock provides perfect protection for feet in the cold. Our warmest sock to date features extra padding on the heel and sole, with a three-way stretch elastic that enables optimal movement whilst providing ultimate comfort to the wearer. The XS94 has been designed with extreme comfort in mind, featuring a thick terry knit looped yarn, which has created a sock twice the thickness of the majority of its range and 26% increase to its weight over our XS84 sock proves the warmth this sock can bring to the wearer.
